July 10, 2018

MACUNGIE BOROUGH AUTHORITY
NOTICE OF TEMPORARY WATER SHUTOFF

Dear Consumer,

We are in the process of replacing a portion of the six inch water main on Poplar Street. Due to project delays, the anticipated date for the water shutoff has been rescheduled.

On **Thursday, July 12th** from 8:30 AM until approximately 5:00 PM, barring unforeseen circumstances you will experience an interruption in your water service at your business or residence. The water shut off will affect those on Poplar Street from E. Main Street to Lea Street. The contractor also states in the event they are unable to finish by the end of the work day on Thursday, The water may also be shut off on **Friday, July 13th**.

We suggest that our customers;

1. Prepare a supply of water for use during this period.
2. Do not do laundry during this time.
3. You may experience cloudy water during this time. After we complete the work, you may have to flush your service line until the water clears. Running an outside hose faucet or the cold water tap with any faucets screens removed will flush your lines.

For further information and updates please call Macungie Borough Hall at 610-966-2503 during the business hours of 8:00 AM through 4:30 PM. Current information is also available on the Borough's web site at: <http://www.macungie.pa.us/advisory.html>

Regards,

Douglas McNair,
Dept. of Public Works
Borough of Macungie
